# Terms of Participation 2021

**With the 2021 TOYOTA GAZOO Racing Trophy, TOYOTA GAZOO Racing Europe (TGR-E) offers all teams using TGR-E's customer motorsport cars – the GT86 CS-R3, the GT86 CS-Cup, the GT86 CS-V3 and the GR Supra GT4 – the opportunity to participate and earn prize money for outstanding results in key championships across Europe.**

## 1. ORGANISER

The 2021 TOYOTA GAZOO Racing Trophy is organized by TOYOTA Gazoo Racing Europe GmbH (TGR-E) – subsequently called organiser - Toyota-Allee 7, 50858 Köln.

## 2. PARTICIPATION

All teams who participate in certain (see point 3.) national and/or international events with TGR-E's race or rally cars, namely the GT86 CS-R3, the GT86 CS-Cup, the GT86 CS-V3 and the GR Supra GT4, are entitled to participate in the 2021 TOYOTA GAZOO Racing Trophy.

The proof of a correct participation in an event will be considered as provided if the name of the team appears in the official final results list of the respective event. In 2021, the system for registering a participation in an event will be as follows:

**Before the event:** The participation in an event must be registered in advance, within 7 days ahead of the first practice session/special stage, by making a Social Media post announcing the participation on one of the platforms given in the entry form (excluding Instagram Story). The Social Media post must include the hashtag #TGR Trophy and at least one meaningful picture of the car.

**After the event:** All participants are obliged to hand in the official final results list by email to [info@tgr-trophy.com](mailto:info@tgr-trophy.com) and making a second Social Media post announcing the result on one of the platforms given in the entry form (excluding Instagram Story). Both the email and the Social Media post must be done latest on the Friday after the end of the respective event. The Social Media post must include the hashtag #TGR Trophy and at least one meaningful picture of the car. In case a result is subject to an open protest, this information must be included in the email to the TOYOTA GAZOO Racing Trophy organisation.

If not all of these criteria are fulfilled, the result does not count for the 2021 TOYOTA GAZOO Racing Trophy and the team is not entitled to receive prize money for this specific event.

Successes achieved by participants who compete for TGR-E, TOYOTA or TOYOTA subsidiaries or with extensive support from TGR-E, as exclusively determined by TGR-E, shall not be eligible to win prize money in those 2021 TOYOTA GAZOO Racing Trophy events. In case of doubt, TGR-E as the organiser will make any decisions regarding the eligibility to participate at its own and free discretion.

Precondition for the participation in the 2021 TOYOTA GAZOO Racing Trophy is the written enrolment. The registration requires the official enrolment form to be completely filled out and signed. The form is available on request from the TOYOTA GAZOO Racing Trophy Organisation or can be downloaded online at [www.racing.tgr-europe.com](http://www.racing.tgr-europe.com). After the enrolment form has been examined, the participant will receive a confirmation via email. Only when that confirmation email is received is the enrolment considered to be completed and the participant is eligible to receive prize money.

The registration and participation of minors and legally incompetent persons in the 2021 TOYOTA GAZOO Racing Trophy is excluded.

Participation in the 2021 TOYOTA GAZOO Racing Trophy is free of charge and independent of the purchase of goods or services. Participants of the 2021 TOYOTA GAZOO Racing Trophy will be granted a 5 % discount on the list price of all spare parts ordered from TGR-E.

Participation in the 2021 TOYOTA GAZOO Racing Trophy can be terminated by the participant at any time. To do so it is sufficient to send an email to [info@tgr-trophy.com](mailto:info@tgr-trophy.com) in which the desire to terminate the participation is clearly communicated.

By registering and participating in the 2021 TOYOTA GAZOO Racing Trophy, the participant accepts the mandatory branding requirements in this document. The necessary stickers can be obtained free of charge for all participants by sending an e-mail to [info@tgr-trophy.com](mailto:info@tgr-trophy.com).

### 4. PRIZE MONEY

In the 2021 TOYOTA GAZOO Racing Trophy, prize money is awarded per team and not per driver. In case of doubt, the respective car owner is eligible to receive the prize money on behalf of a team.

For all events, relevant for the prize money allocation is the participant's position in the category/class listed in 3 in which he competes with a TGR-E race car. In case there is no division into different classes in the official final results, the overall classification of the official final results will be considered.

Prize Money is awarded to participants finishing a race in 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> position in the overall standings or the respective category/class in one of the championships stated in 3.

In each race/rally, prize money is only allocated to the highest-placed TOYOTA GAZOO Racing Trophy participant within a category/class, providing they finished within the top three of the final standings within their category/class. I.e. if TOYOTA GAZOO Racing Trophy participants finish 1<sup>st</sup> and 2<sup>nd</sup> in a race within the same category/class, prize money will only be awarded to the 1<sup>st</sup> placed participant. If participants finish 1<sup>st</sup> and 2<sup>nd</sup> in different categories/classes, prize money will be allocated to both participants.

Each participant is entitled to only one prize money allocation per race/rally. I.e. if a participant would achieve an overall victory, the participant is entitled to prize money allocated only to the overall winner.

For events which include two or more races/rallies in the course of a weekend, all races/rallies, without exception, will be considered for the prize money allocation.

If only 3 vehicles start a race/rally in the respective category/class, only the two highest-placed finishers are eligible for prize money. If only 2 vehicles start a race/rally in the respective category/class, only the winner is eligible for prize money. If only one vehicle starts a race/rally in the respective category/class, no prize money is awarded. Only cars which have started the race or the first special stage of a rally are considered as starters for this purpose.

The organiser reserves the right to amend the aforementioned prize money structure at any time and without stating reasons. The organiser reserves the right to introduce a prize money cap during the season, with a lead time of a minimum of eight weeks after the announcement.

The participants who have won most prize money before the end of the assessment period will be awarded with the title '2021 TOYOTA GAZOO Racing Trophy Champion'. Trophies will be awarded to the top three participants who have received most prize money. The end-of-year trophies will be awarded on the basis of the results achieved by one participant running with the same start number or the same vehicle (in championships without fixed start number allocation) in a certain category/class of a championship.

Trophies will exclusively be awarded to the participants personally at the official TOYOTA GAZOO Racing Trophy awards ceremony. Trophies will not be sent. The participant will bear any costs incurred to him in regard to his participation in the 2021 TOYOTA GAZOO Racing Trophy and his participation in the events. Furthermore, the organiser does not bear any liability for the participant's journey to and from the events as well as the annual awards ceremony.

## 5. TAXES

In case that participants within the framework of the 2021 TOYOTA GAZOO Racing Trophy become eligible to receive prize money, the prize money will be paid out following deduction of all applicable taxes, fees or other charges, which have to be withheld by TGR-E due to legal regulations and paid to responsible tax authorities. The prize money does not, on its own, constitute an exchange of services for VAT purposes. The parties will on their own responsibility take care of the observance of all fiscal obligations and duties resulting from their TOYOTA GAZOO Racing Trophy engagement. Should any loss, damage or any other disadvantage to either party arise from a breach of the other party's obligations or responsibilities under this clause, then the party which is responsible for such loss, damage or any other disadvantage shall fully indemnify the other party.

## 6. RISKS AND LIABILITY

At motorsports events exists a risk of possible health damage for the visitors. The organiser will not accept any liability for any health damage that may result from the participation in or the visit of a motorsports event. Furthermore, the organiser does not assume any liability for faults in the registration process, which may be caused by mistakes, delays or disruptions in the transmission of data, breakdowns of the technical equipment and service, incorrect content, loss or deletion of data, or viruses.

## 7. COPYRIGHTS

With the registration for the 2021 TOYOTA GAZOO Racing Trophy the participant, incl. all team members such as drivers, agrees that TGR-E respectively TOYOTA have image and film recordings made of the 2021 TOYOTA GAZOO Racing Trophy events or the TOYOTA GAZOO Racing Trophy awards ceremony. The participant, incl. all team members such as drivers, grants TGR-E and TOYOTA the right, unlimited by time or space, to edit the captured pictures and videos taken and to use them for general reporting and public relations work as well as for advertising purposes, exhibition posters, invitations, exhibitions, e-cards, screensavers, calendars as well as

catalogues and books etc. if applicable. TGR-E is obliged to obtain any appropriate rights of the championship organiser themselves.

## 8. DATA PROTECTION

TGR-E will process and use the personal data provided during enrollment as well as the data resulting from the participation in the 2021 TOYOTA GAZOO Racing Trophy for the purposes of customer contact and support as well as for the individual creation and dispatch of product information. This includes the data of team members such as drivers. Unless consent of the participant is required, TGR-E will also use the provided e-mail address for advertising purposes for its own similar products, information and services. The participant may at any time object to the use of his data and the use of his e-mail address for advertising purposes by sending an e-mail to [info@tgr-trophy.com](mailto:info@tgr-trophy.com).

The TGR-E privacy policy can be found on the website [https://www.tgr-europe.com/images/tmg/privacy\\_policy\\_en\\_2020-04-20.pdf](https://www.tgr-europe.com/images/tmg/privacy_policy_en_2020-04-20.pdf) and this explains how TGR-E deals with the data of the participant and for what purposes and on which legal basis the data is processed.

## 9. EXCLUSION OF A PARTICIPANT

A participant, who registers with incorrect data or acts in other ways contrary to the terms of participation, can be excluded from the 2021 TOYOTA GAZOO Racing Trophy by the organiser. The same applies to participants, who make use of any illegitimate means of help or try to benefit in any other way through manipulation.

## 10. MISCELLANEOUS

The organiser expects fair sportsmanship from the participants and responsible behaviour in any communication, especially on social networks. Any conduct that has a negative effect on the brand TGR-E respectively TOYOTA may result in an exclusion from the TOYOTA GAZOO Racing Trophy scoring.

If a participant wants to have an accessible individual result to be corrected, he or she may send the organiser a request via email to [info@tgr-trophy.com](mailto:info@tgr-trophy.com). The respective results will then be examined again. Precondition for the examination of a recorded result is the submission of an official final result of the respective racing or rally event.

Corrections can only be submitted to the organiser in the way mentioned above until the end of the assessment period. After that change requests can no longer be considered. For the avoidance of doubt, this applies even in the case of an event result being changed by the organiser, if that change is applied after the end of the assessment period.

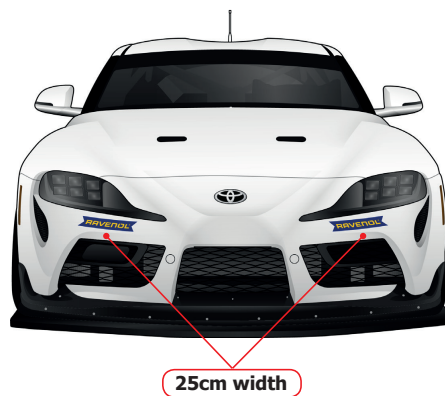

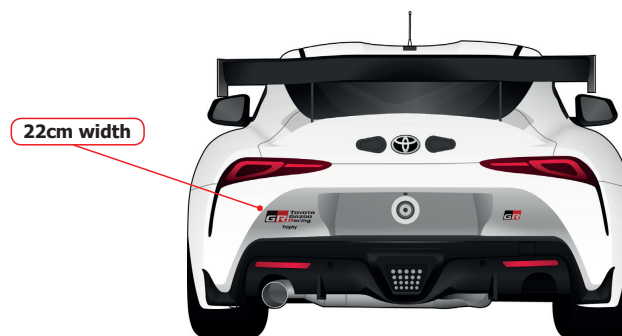

All decisions and interpretations concerning the 2021 TOYOTA GAZOO Racing Trophy are a matter solely for the organiser. The organiser has the right to cancel the 2021 TOYOTA GAZOO Racing Trophy at any time, without prior notice, or exclude individual results from the scoring in case of activities or actions which bring the image or reputation of the TOYOTA GAZOO Racing Trophy into disrepute, or seek to manipulate in an unsporting manner the final classifications, as judged solely by the organiser. The participants in this case are not entitled to claim for compensation.

There is no right of recourse to common courts and/or a sporting authority in connection with the 2021 TOYOTA GAZOO Racing Trophy. Any subsidies and benefits discussed in these terms of participation represent the voluntary recognition of the sportive achievements of the TGR-E customers. No obligation can be derived from them.

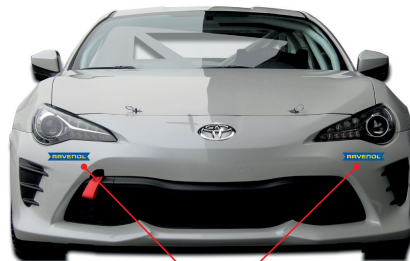

The organiser reserves the right to modify the conditions of these terms of participation at any time without giving reasons or even cancel them without prior notice. Should individual clauses of these terms of participation become invalid, the validity of the remaining contract shall not be affected.

There is no legal right of appeal.
